

454th Squadron 2021 Reunion

We are sorry to announce that due to the recent increase with the Delta variation of Covid-19 we have decided to put our plans for the 454th Squadron and 323rd BG reunion in Pensacola, Florida on an indefinite hold for now. In the last few weeks we have seen a startling increase in the number of the very contagious Delta Covid-19 virus in the US. Especially in the southeastern portion of the country where we were planning on holding our reunion. As much as we would all like to be able to spend some together again and reminisce, we do not wish to place anyone or anyone's family members at risk by doing so.

Future plans for our reunion will be announce once health conditions in the US improve.
